What our Trustees do

Our Trustees currently meet three times a year for Board meetings and are there to respond to ad-hoc strategic matters as and when they arise.

Our Trustees are responsible for providing strategic direction and making key decisions which fully reflect our core values and ensure we're delivering on our objectives.

We are currently seeking someone to join our **Board of trustees**.

Our Trustees are appointed for a three-year term, and can serve a maximum of three terms

on particular subjects related to their area of interest or expertise.

This is an unpaid role, but we reimburse expenses, for example childcare costs and travel costs so you can attend meetings.

Why our Trustees are so important

Some of the vital things you'll be doing include:

Using your unique skills and experience to help us meet our charitable objectives in the welfare support services we provide

Making sure our charity is fulfilling its mission and purposes for the communities we support

Checking that we are always following the law, as well as our own governing document

Checking that we are always following the guidelines as detailed in the Grant Giving Policy

Ensuring our resources are managed effectively.

Ensuring the Welfare Team is adequately resourced and supported

Working in the best interests of ABS and our beneficiaries

Who do we want on our Board?

We are looking for people who can demonstrate the following skills and values:

- A commitment to the charity, its purpose and values
 - Strategic vision
 - An understanding and acceptance of the legal duties, responsibilities and liabilities of trusteeship
 - Effective chairing skills for meetings
 - A willingness to devote the required time and effort
 - Ability to challenge in a constructive manner
 - Ability to work effectively as member of a team
 - Ability to interpret and evaluate management information
 - An understanding of charity governance
- **We are committed to having a diverse Board of trustees. We're looking to broaden our reach, welcoming applications from everyone and encouraging applications from people from underrepresented groups, including:**
- Living and working in England (outside Greater London) and in Northern Ireland
 - From an ethnically diverse or marginalised group
 - Gender identity other than male
 - Lived experience of financial hardship
